

Quality Policy Statement

Cleandustrial Services Pty Ltd is committed to providing a professional cleaning service to commerce and industry. We recognise the importance of customer service and have adopted this as our top priority in the marketplace.

Our management system and related procedures are designed to provide a framework for professionalism and to guide staff at all levels of the organisation towards meeting the needs and expectations of our customers.

We resolve to continuously improve our management system against ISO 9001:2015 and analyse performance data to identify opportunities for improvement. By setting objectives based on these identified opportunities and continuously reviewing our progress towards these objectives, we strive to continually improve the effectiveness of our management system and consequently, the service we provide to our customers.

By fostering a culture of employee involvement throughout the organisation and promoting the development of quality awareness through education, training and support, we seek to build continued customer satisfaction into all functions of the organisation.
